Onion – 2 kg
Spices (mirchi and haldi) – 300 grams
Dates – 1 kg
Peanuts – 0.5 kg
Black Chana – 0.5 kg
Besan – 1 kg

The pack is valued at Rs.1500/- with 10% fee included for handling, distribution and compliance documentation charge.
DISTRIBUTION PROCESS

1. Identification and validation of ground partner organization

2. Identification of beneficiaries in places by ground partners.

3. Dealing with wholesalers

4. Packaging. Standard packs of Rs.1500/-

5. Ensuring safety protocols regarding COVID 19.

6. Delivering the pack to the family
The Volunteers are required to take the following precautions while distributing the packets to ensure safety for COVID-19:

Make sure to have zero physical contact with the beneficiaries.

The volunteers need to do a recce of the area in advance, a day or a couple of hours before.

The distribution should ideally take place during the early morning hours, around sunrise.

NO crowding of beneficiaries around the distribution vehicle as it defeats the purpose.

The volunteers are to distribute the packs door to door, still avoiding any direct contact with beneficiaries. No handshakes with the beneficiaries.

Volunteers need to ensure regular and frequent sanitization.

Maximum of 200 packs to be distributed at a time.

The drive has to engage minimum number of volunteers in a single place (2-4 at max).

Volunteers to wear proper safety gear (Hazmat Suits, masks, goggles, gloves, etc.).
“We have been partnering with SAFA for relief distribution in Mumbai! We have identified around 2000 urban poor families who are in dire need and the number is growing. Our experience with SAFA has been very positive. They are prompt, responsive and accountable to their partners and most importantly, they are committed to seeing that relief is provided in a dignified manner to affected individuals and communities.”
